## Women Build 2012

Okay Ladies – it's time to take off your high heels, strap on your hard hats and get building! Build friendships, build your team and build a home for a family in need! Habitat's Women Build is a national initiative sponsored by Lowe's that takes place the week before Mother's Day and culminates in a celebration as a deserving family receives the keys to safe, decent, affordable home.

Of course you can do this! In 2011 over 178 Southwest Florida women contributed the \$50,000 needed to renovate a home and more than 40 of you showed up ready to hammer, paint, sweep – whatever it took to get the home ready for single mom Michelle Wolcott and her two sons. Look at those smiles (in the slide show above, go ahead, take a minute to get inspired) – see anyone you know?

We had so much fun, we're doing it again in 2012 and this year the challenge is to provide 2 homes! So call your BFFs and make a plan. We'll train you, inspire you and give you the t-shirt!

Still haven't clicked the "Register Here" button? Have more questions? Then read our general information brochure or give Nickole Hendra a call at (239) 292 – 8955. Or email [Nickoleh@habitat4humanity.org](mailto:Nickoleh@habitat4humanity.org).

5 donors helping 6 fundraisers to raise \$39.00 for Habitat for Humanity of Lee and Hendry Counties.

Welcome to Women Build 2012!

This is the ground floor - from here you can start building your fundraising page, join a team, or even create a team. Just here to donate to your BFF? We'll tell you how to do that too!

Let's get started. Click on the "Get Involved" tab above to register as a fundraiser. Just a few simple steps and you'll have your very own DonorPage to send YOUR friends to. You can even bling it out with your own photo. You will be asked if you want to join a team or create a new team. You'll also be asked how much money you want to raise...aim high (think stilettos!)

Just here to donate? You can find your friends by entering their first, last or entire name in the search bar above. You can also search by team name. Or you can choose to search the entire list by clicking on the "Show all fundraisers for this event" link. (No blonde jokes here!)

Want to check out the competition? Click on "The Top Ten" tab.

If you still have questions, please contact Nickole Hendra at (239) 652-8955 or email her at [nickoleh@habitat4humanity.org](mailto:nickoleh@habitat4humanity.org).

Total: \$39.00

After you have typed in the "Capcha" code and clicked "OK" you will automatically be taken to the "Legal Disclaimer" page. As you can see, it's not scary, but it is a part of the program's defaults so we made the best of it! You must click "Agree" in order to continue with your registration.

After registering, you will have the opportunity to build your very own personal Fundraiser Page. Here's what it looks like to start out:

When you hover over parts of the page, you can click to edit them, like changing your picture, changing the message, even changing your personal thermometer graphic. **Bling it out Ladies, have fun!!!** Here's an example:

The screenshot shows a donor page for the 2012 Women Build event. At the top, there is a banner with the event logo and several photos of volunteers. Below the banner is a navigation bar with links: "Welcome!", "The Top Ten", "Get Involved", and "Help". A "Preview Your Page" button is visible, along with the page URL: <http://habitat4humanity.donorpages.com/WomenBuild2012/GinnyCooper>. The main content area is titled "Design My Donor Page" and features a profile picture of a woman wearing sunglasses, a goal of raising \$10.00, and a "Hey Girlfriends!" greeting. The page includes a "Donate" button with the text "Thanks for your support!" and a vertical thermometer graphic showing a progress bar from 0% to 100%. On the right side, there are several interactive buttons: "Design/Edit", "TEAM My Team", "Promote Page", and a "More Options" section containing links for "Thank Donors/Email", "View Statistics", "Your Account Status", "Help", and "Logout".

That's it – now you're rockin' it with DonorPages! You can follow the options given you for emailing contacts directly from DonorPages or sharing via your Facebook or Twitter accounts with default messages – or you can customize all of your communications, or even just use your new URL as a link in all of your social networking!

Once you have registered, you will use the "Login" tab.
